

Cosmic Paradigm Newsletter -- Special Edition Revised
By Mark Kimmel
September 7, 2008

We are arranging Gatherings this fall in Arizona, Florida, Oregon, and New York. If you are interested in attending, please contact the coordinator for that area.

A Gathering with Mark Kimmel is an interactive workshop dedicated to empowering people for the "Transition Time." (Our brothers and sisters from other star systems call it "interim time." Many other planets have undergone this transformation.)

In addition to connecting like-minded people, we will discuss the real state of the world, discover the reasons why we are here at this time and place, learn more about our personal energy and how we can use it, and learn what we can each do to assist the positive transformation of humanity. Gatherings are limited to a maximum of twenty people with attendance by those who subscribe to the principles of the Cosmic Paradigm Network; confidentiality is expected to encourage open discussion.

The Cosmic Paradigm Network was initiated to assist those with a genuine interest in transforming planet Earth by:

1. Cumulating the energies of those dedicated to the work of positively transforming planet Earth so that this sphere might become a member of the cosmic family of enlightened planets.
2. Providing a safe interchange for those who have had positive contact with star people and/or celestials and who seek support to continue their work.

Beginning in 1987, Mark Kimmel, author of Trillion, Decimal, Creating the Cosmic Paradigm, Birthing A New Civilization, and One: Toward a Civilization of Light studied the messages provided by our sisters and brothers from distant star systems. Mark worked for two major corporations, in positions involving new business development and new technology. Beginning in 1977, he founded and ran three of the most respected Colorado venture capital funds. He retired from industry in 1996. Mark has been listed in Who's Who each year since 1985. He has degrees in engineering, marketing, finance, and psychology. Mark has spoken about "Transition Time" and conducted Gatherings throughout the U.S as well as internationally.

2009:

For 2009 we are planning Gatherings for Colorado, Costa Rica, Illinois, and Vancouver, BC

We are still looking for someone to coordinate Gatherings for the many awake people in Southern and Northern California.

"One: Toward a Civilization of Light," the 3rd book of the Paradigm Trilogy, is at the printer. You may order a soft cover printed edition for delivery in two weeks. For those of you who do not want to wait, you may download it as a PDF file that you can read or print in 8 1/2" X 11" format. Visit www.cosmicparadigm.com today to obtain your copy of a printed or PDF version (click on the image in the right hand column).

"One" continues the story begun with "Trillion" and "Decimal." Woven into its pages are my understandings of revelations that paint an uplifting resolution of mankind's long enslavement.

- * Live with the characters as they take steps to a successful transformation
- * Learn about the many non-Earth humans among us
- * Discover the players behind the eons of our enslavement
- * Find out why we can not ignore the paradigm in which we are immersed

- * Learn how our brothers and sisters from other star systems will assist us
- * Recognize what is required of those of us who would be of service

Please pay close attention to events unfolding around us; we are truly in the time of transition. Search out the news beneath the stories in the media. Another newsletter will be coming later this month.

In Truth, Love and Joy,

Mark
