

Cosmic Paradigm Newsletter
By Mark Kimmel
September 30, 2008

Dear Friends,

Today marks a turning point in the publication of my newsletters. I am suspending publication in favor of inviting you to visit a new page on my web site entitled Mark's Corner:
http://www.cosmicparadigm.com/Marks_Corner/ This will allow me to post information for you much more frequently, as events unfold, rather than saving things for a monthly newsletter.

More importantly, and this is the big one, most of the information will be from "other" sources. I have been invited to post communications from humans from other planets, as well as celestials and an earlier incarnation of mine on this planet. These beings of extraordinary insight will provide comments and give background on events as they unfold during this time of Earth's transition. I think you will be amazed; I was.

As you might imagine this is a huge step for me.

- First, I have had to learn to trust that what I am receiving is indeed from other sources and not my own imagination. (A big step indeed.)
- Second I have learned to get out of the way and just let the process flow.

Now to other information: Remember that tomorrow is October 1st. You are invited to design the future for the human inhabitants of this planet, as you would choose. Our brothers and sisters, who stand ready to help, want your input. Meditate first thing tomorrow morning, or simply hold the vision in your heart. You may be as detailed or a general as you like, but please contribute to this grand effort.

We continue our organizing efforts to connect you to others in your area. I will be communicating with each of you who have indicated an interest in doing this. Please be patient; it is turning out to be a big project. Anyone else interested should immediately reply to me. (Remember no more newsletters! Periodic communications with members of the Cosmic Paradigm Network will continue.)

We have Gatherings scheduled in:

- Florida (October 10th-13th)
- Oregon (November 21st to 23rd)
- Colorado (December)
- Costa Rica (early 2009)
- Others are in the works.

If you are interested in attending, contact the coordinator in your area.

My latest book, "One, Toward a Civilization of Light," is available in soft cover. Just click here:
http://www.cosmicparadigm.com/About_One_Toward_A_Civilization_Of_Light.html To accommodate you, there are a number of ways to order it. It will be available via bookstores shortly. It may also be downloaded as a PDF file.

So, I leave you now with these two thoughts:

- This is the time of Earth's transition to a new lighter density. How will you choose to participate?
- Remember to click on http://www.cosmicparadigm.com/Marks_Corner/ for the latest communications.

Thank you all for your support and interest in my work.

In Truth, Love and Joy,

Mark Kimmel
